

Redlands Unified School District Insurance Committee

Insurance Committee Update February 29, 2012

The Insurance Committee has continued to meet on a monthly basis to work through the extensive process of selecting Insurance programs that will meet the needs of our diverse personnel across the district. During this phase of the process, the committee has compiled a list of qualified insurance providers from whom the district will receive proposals.

Under the direction of the Insurance Committee, Keenan and Associates has collected all necessary data from the Redlands Unified School District and has sent Requests for Proposals to a wide variety of Insurance Providers. At upcoming meetings the committee will be reviewing each respondent's proposal in detail. This detailed review will result in a series of presentations by carriers to the committee to assist in solidifying the plan for the coming year.

The Insurance Committee has also been evaluating trends of current usage, and program options that are available through our current carriers. There are several options available to the district that can save precious dollars to both individual employees, and to the rates paid by Redlands Unified. The committee is dedicated to educating all employees in the district regarding these savings options and will plan education campaigns as necessary.

Throughout this school year, please feel free to contact any of the committee members should you have any feedback for the Insurance Committee. As always, questions regarding the current healthcare plan should be directed to Felicia Robinson in Benefits.

As a reminder, the Insurance Committee members are:

Maria Clark, Chuck Mendoza, and Deborah Severo, representing RTA; Jolene Tripp (Co-Chair), Miguel Ruiz, and Celiza Hernandez representing RESPA; Kate Pearne (Co-Chair), Curtis Marcell, and Janet Jungnickel, representing RAPA; Sabine Robertson-Phillips, Brad Mason, Brian Guggisberg, and Felicia Robinson, as Ad-hoc committee members; and Sue Cenderelli as recording secretary.

In addition to the Insurance Committee updates being sent to each employee, updates will also be available on the RUSD website. You can access the updates under the [Insurance Committee Information](#) link found under [Employee Information](#).
